This is HUGE!

Pennsylvania Judge Patricia A. McCullough filed a Memorandum of Opinion on Friday stating the Pennsylvania preliminary ELECTION CERTIFICATION injunction was PROPERLY ISSUED and should be upheld.

McCullough added this, **“Additionally, petitioners appear to have established a likelihood to succeed.”**

Pennsylvania trial court rules the 2020 election was likely unconstitutional in Pennsylvania, and that gives state legislators power to choose electors.

PA Legal Update

Judge McCullough issues HUGELY favorable opinion

Of Note:

- Commonwealth barred from taking ANY further steps to certify results
- Issues raised found to be of “statewide and National concern”
- “likelihood to succeed on the merits”
