33rd Annual New England Gala Dinner + Auction!

Presented by Liberty Mutual and Citizens Bank

Marriott Copley Place - Saturday, November 22, 2014

The Human Rights Campaign Annual New England Gala Dinner + Auction represents the largest LGBT fundraising event in New England. Last year, over 750 people came together as a community to show their support for HRC.

Why a Dinner?

The Human Rights Campaign cannot operate without funds, and here in New England, we have grown to host one of the largest fundraisers in the country for the cause of equality. Additionally—in New England we are fortunate enough to be able to celebrate all of our accomplishments here in New England—the only region with marriage legal in ALL our states! The dinner serves as an opportunity to celebrate while also being the largest fundraising event of the year. The New England Gala Dinner + Auction in Boston is an annual event that consists of a large private auction, followed by a gala dinner, and after party to celebrate the progress we have made and to look toward a more just future.
